Impact Publishing

Powerful Stories That Shape Nations

About Impact Pub Ph

Impact Publishing stands as a dynamic and forward-thinking multi-media production company that has been passionately crafting impactful narratives since its inception in 2015, right in the heart of the Philippines. Our unwavering commitment to the art of storytelling has empowered both multinational corporations and local entities, as well as individuals, to establish deep and lasting connections with their audiences.

Our Services

01 Production

We collaborate with you to identify your needs, propose the most effective solution and create engaging stories that resonate with your audience.

02 Trumpeting

We create campaigns for your brand. We make sure that people will talk about you, your values, and your services the way you want to

03 Influencer Management

Our stakeholder network is the largest in the industry, encompassing legacy, social media, and government. We understand how to navigate each network effectively.
